www.t2cglobal.com

Overview

Trident Technologies and Consulting - Global, LLC (T2C-Global) is a Woman Owned Small Business (WOSB) and Certified Woman Owned Florida Business Enterprise specializing in providing innovative global defense services and solutions.

Responsibilities

- Lead and manage multiple contract personnel working in geographically dispersed locations.
- Responsible for handling the day-to-day management and administration of project tasks, developing detailed work plans and schedules, assigning staff responsibilities, and supervising all staff efforts.
- Interact continually with Government COR and any appointed Technical Representatives (TR) to discuss concerns and ensure total product/service satisfaction.
- Provide administrative and operational oversight to all programs supported by contractor staff, to include any classified programs.
- Work effectively with the university’s governance committees.
- Assist the Project Manager (PM) on the efficient execution and program management of the contract and contractor staff.
- Consult, recommend and advise JSOU in executing the contract efficiently and cost effectively
- Ensure that proper procedures are followed for task order execution.
- Designate contract Team Leads, as needed, to support the administrative needs of this task order.

Qualifications

Required certifications:

- **Current DoD Active TOP SECRET clearance W/ SCI Eligibility**
- MA or MS in any field required from a regionally accredited U.S. college/university or internationally recognized college/university
- 5 years’ experience within the SOF community.
- 5 years’ project or program management experience.
- 5 years’ experience in staff budget management.
- Understand compliance with Export Control Licensing for Non-US Citizens living Outside Continental United States (OCONUS).
- Understand compliance standards with Host Nation labor and Tax Law as it pertains to the JSOU International Education Program.
- This position supports a U.S. Government contract; per the Executive Order 14042 issued on September 9, 2021, personnel must be fully vaccinated against COVID-19 to fill this role.

Physical Demands

The physical demands described here are representative of those that must be met by an employee to successfully perform the essential functions of the job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions. While performing the duties of this job, the employee is required to reach with hands and arms. The employee is frequently required to sit, stand and walk. The employee may be required to move ten pounds and could occasionally lift or move up to twenty-five pounds.

Disclaimer: The listed duties are not intended to serve as a comprehensive list of all duties performed by all employees in this classification, only a representative summary of primary duties and responsibilities. Incumbent(s) may not be required to perform all duties listed and may be required to perform additional position specific duties.

Special Conditions

- If offered employment, you will be required to submit to a background investigation.
- Employees performing sensitive requirements must be able to pass a drug test as a condition of employment and submit to random drug testing throughout the contract performance period as per FAR 252.223-7004, Drug Free Workforce. If your position requires drug testing to successfully meet contractual obligations, this will be a condition of employment.
