

Target Facilitators/Builders

Job Title: Target Facilitators/Builders
Work Location: Coronado, CA
Position Classification: Full Time
Security Clearance: Active SECRET clearance

Overview

Trident Technologies and Consulting - Global, LLC (T2C-Global) is a Woman Owned Small Business (WOSB) and Certified Woman Owned Florida Business Enterprise specializing in providing innovative global defense services and solutions. T2C-Global is currently seeking motivated and talented individuals who can offer the knowledge, skills, and experience in support of our Coronado, CA based customer.

Responsibilities

Target Facilitators/Builders positions support the Supply Department in the construction and maintenance of target sites. These positions normally require prior military or civilian background in construction and/or construction equipment operation.

Specific duties include:

- Assess and provide recommendations regarding annual needs for target materials, including but not limited to analysis of quantities and potential types of target-building equipment.
- Assist in identifying associated target-building equipment. Assist in researching, receiving, delivering, and stowing all target materials (MILVAN/CONEX box or Government direct storage facility).
- Assemble and maintain a modular target site. Modular target site consists of four (4) to five (5) 10' x 10' rooms (walls, and makeshift roof) that are easily transportable to and from the range. Modular target plans and materials are provided.
- Assemble realistic replication of enemy target sites and coordinate with customer command based on ongoing command standards and materials (paper targets, backstops, steel targets, and other elements designed by basic carpentry).
- Construct target sites at remote training areas in coordinating with Range Officials.
- Assist in the clean-up of all non-dud producing ranges after use, to the standard set by Range Officials.

Qualifications

Required:

- **Current DoD Active SECRET clearance**
- Two (2) years' experience planning, coordinating, and instructing SOF operators.
- Three (3) years of experience in skills such as general construction, carpentry, concrete, electrical, steelwork, welding and/or equipment operations.
- Commercial driver license (CDL) and equipment certifications for commercial equipment, such as 15-ton truck, forklift, back hoe, cherry picker, and small earth moving vehicles.

Supplemental Information

Special Conditions

Trident Technologies and
Consulting – Global, LLC

- If offered employment, you will be required to submit to a background investigation.
- Employees performing sensitive requirements must be able to pass a drug test as a condition of employment, and submit to random drug testing throughout the contract performance period as per FAR 252.223-7004, Drug Free Workforce. If your position requires drug testing to successfully meet contractual obligations, this will be a condition of employment

Equal Opportunity Employment Statement

T2C-Global is an equal employment opportunity employer. All qualified applicants will receive consideration for employment without regard to race, color, religion, gender, national origin, disability status, protected veteran status or any other characteristic protected by law.
