

Visualization Planning Specialist (VPS)

Job Title: Virtual Planning Specialist
Work Location: MacDill AFB, Tampa, FL, VA
Position Classification: Full Time
Security Clearance: Active TOP SECRET clearance w/ SCI Eligibility

Responsibilities

Full-time member of the USSOCOM J5- Decision Support Center (DSC) performing a broad range of mission support assignments and planning actions required to solve SOF challenges and other unique problems.

Duties Include

- Innovative use of cognitive modeling techniques, advanced scheduling approaches, integration of new information management technologies and visualization development using ArcGIS and other similar computer-based tools.
- Creation of decision matrix visualization tools.
- Assist in the planning and development of senior leader seminars and other events.
- Assist in analysis of strategic and operational issues and topics as they relate to events tasked to the DSC.
- Assess traditional intelligence products, military operational activities, and field observations and studies from academia and recognized think-tanks to determine how to best apply interagency associated activities within the tasks of the DSC.
- Establish, integrate, synchronize and maintain coordination with other elements of USSOCOM and the Interagency (IA) in order to build collaborative communities of interest, which contribute to, or benefit from, ongoing DSC projects.
- Conduct visualization planning and design by obtaining resource data focused on customer objectives and goals.
- Operate designated DSC visualization systems and coordinates directly with briefers, moderators, and other personnel during event execution.

Required Qualifications

- B.A. or B.S. degree in any field.
- 5 years of operations, planning, or resourcing experience.
- 3 years of experience co-planning a variety of advanced strategic and operational perspectives utilizing customer input, informed by personal experience and expertise.
- 3 years of experience using ArcGIS and the Adobe Suite tools.
- 3 years of experience in the creation and modification of advanced computer graphics and images.

Supplemental Information

Special Conditions

- If offered employment, you will be required to submit to a background investigation.
- Employees performing sensitive requirements must be able to pass a drug test as a condition of employment and submit to random drug testing throughout the contract performance period as per FAR 252.223-7004, Drug Free Workforce. If your position requires drug testing to successfully meet contractual obligations, this will be a condition of employment.
