### Overview

Trident Technologies and Consulting - Global, LLC (T2C-Global) is a Woman Owned Small Business (WOSB) and Certified Woman Owned Florida Business Enterprise specializing in providing innovative global defense services and solutions.

### Responsibilities

The Instructor/Writer shall, provide classroom support, participate in operational tests, training material validation, and provide effective training IAW established programs of instruction (POI), the Master Training Plan (MTP), Army Learning Concept (ALC) 2015, USCYBERCOM J7, National Cryptologic Training System (NSA standards per DoDI 3305.09), and DoD Cybersecurity Workforce Framework (i.e. DoD 8570 or 8140) and training standards.

Other duties include but are not limited too.

Training Support:

Coordinate all efforts with the COR.

- Perform services at Fort Gordon and other locations determined by training requirements and events
- Perform training, receive training, attend workshops, present at conferences, or assess training events
- Collaborate with current government personnel to establish acceptable training practices and student evaluation criteria.
- Each month conduct 100% review of classroom training materials such as student handouts, lesson plans, slides, and practical exercises for accuracy and adequacy.
- Maintain currency of the courseware and materials, obtain and record information regarding modification requirements gleaned from attendance at local meetings and conferences.

Classroom Instruction Support:

- Deliver approved instruction to students for each lesson via interactive synchronous and asynchronous learning activities.
  - Participate in USCYBERCOM's Joint Targeting Cycle
  - Develop Electronic Targeted Folders (ETFs)
  - Develop Strike/Mission Packages in support of operations in cyberspace
  - Enable the vetting and validation of targets in cyberspace
  - Formulate Collateral Effects Estimates (CEE)
  - Assist in the development of phased Battlefield Damage Assessment (BDA) reports

- Use a Target System Analysis (TSA) to aid in target development
- Participate in targeting related Boards, Bureaus, Centers, Cells and Working Groups (B2C2WG)
- Develop Collateral Effects Estimations (CEEs)
- Enable the assessment of targeted effects in cyberspace
- Perform target development
- Conduct target list management and priorities
- Support multi-domain mission planning
- Provide instruction to analysts and warfighters on the research, analysis and assessments required in the development of targeting packages
- Acquire source data and create tailored targeting and geospatial products
- Assist training developers, curriculum managers, and mission customers to design and implement a total training package; this includes creating instructional and evaluation content as required.
- Each month review, update and analyze 100% training materials and recommend changes.
- Provide daily attendance reports, and academic reports IAW Cyber School policy.
- Assist the Cyber School Training and Education Directorate Team in updating developing all related training material and training products for Cyber School curriculum.
- Maintain established classroom security requirements and procedures as prescribed in TRADOC Pamphlet 350-70-4, FG policies and CCoE SOPs.
- Maintain and report student attendance, academic records, and statistics to the COR or Cyber School leadership IAW Fort Gordon Regulation 350-5 and CCoE SOPs.
- Provide students with evaluation forms; administer and enforce test control standards; conduct assessments and testing in subjects taught; grade exams; evaluate results; record exam results; conduct AARs; and, administer student course critiques.
- Develop tests associated with the new curriculum.
- Monitor and control entry and exit point(s) for a designated Testing facility or location.
- Utilize services of existing third-party government or commercial organizations to update training, and deliver or assist with delivery of training requirements as determined by the COR, e.g., TDC, ATRRS, Blackboard, etc.
- Maintain classroom conditions IAW Cyber School SOP.
