

Trident Technologies and  
Consulting – Global, LLC

## Ordnance Support Specialist

**Job Title:** Ordnance Support Specialist  
**Work Location:** Coronado, CA  
**Position Classification:** Full Time  
**Security Clearance:** Active SECRET clearance

### Overview

Trident Technologies and Consulting - Global, LLC (T2C-Global) is a Woman Owned Small Business (WOSB) and Certified Woman Owned Florida Business Enterprise specializing in providing innovative global defense services and solutions. T2C-Global is currently seeking motivated and talented individuals who can offer the knowledge, skills, and experience in support of our Coronado, CA based customer.

### Responsibilities

The Ordnance Support position provides tracking and assists with identification of munitions/weapons inventories for each training evolution. This position requires prior military or civilian background as a qualified and certified (see OPNAVINST 8023.24 Series) military Ammunitions Accountability and Explosive (AA&E) ordnance handler. Duties and responsibilities include the ability to learn, gain proficiency, attain requisite qualifications or certifications.

### Specific duties include:

- Coordinate and optimize daily ordnance use and ordering in compliance with Navy and NSW policy and regulations.
- Provide draft estimates of ammo and equipment in support of ordnance orders, for customer review and approval, for all TRADET evolutions.
- Track ordnance requisition orders through the Ordnance Information System and Reporting (OIS-R) through all phases of requisition and verify the amount of ordnance order complies with Non-Combat Expenditure Allowance (NCEA).
- Coordinate ordnance transportation requirements between LOGSU Ordnance, TRADET, SEAL Team personnel and all training installation personnel.
- Arrange authorization to establish field Ammunition Supply Points (ASPs) at other branch service ranges.
- Facilitate short notice delivery of ordnance items when required.
- Ensure Ammunition Transaction reports (ATR) are submitted.
- Arrange and facilitate the reconstitution of surplus ordnance left over at the completion of training to NSW bunkers and/or RSL.
- Utilize the DPAS database to schedule monthly weapons and night vision inventories, collect inventories and forward completed inventories to LOGSU Armory personnel.
- Provide LOGSU Ordnance, GROUP ONE and WARCUM personnel with estimates of TRADET's future ordnance needs as requested..

### Qualifications

Required:

- **Current DoD Active SECRET clearance**
- Two (2) years' experience planning, coordinating, and instructing SOF operators.

Trident Technologies and  
Consulting – Global, LLC

- Must have working knowledge of, and processes associated with, the Navy Ordnance Information System (OIS).
- Five (5) years of direct AA&E experience.
- Two (2) years of experience as an Armorer.
- CDL with hazmat endorsement and CDL medical certification for 15 ton truck.
- Must take, pass and maintain government provided qualification and certification for Ammunition and Explosive (AE) tasks. Required certifications include:
  - Ammo-49
  - Ammo-51
  - Ammo-62

### **Supplemental Information**

#### **Special Conditions**

- If offered employment, you will be required to submit to a background investigation.
- Employees performing sensitive requirements must be able to pass a drug test as a condition of employment, and submit to random drug testing throughout the contract performance period as per FAR 252.223-7004, Drug Free Workforce. If your position requires drug testing to successfully meet contractual obligations, this will be a condition of employment

#### **Equal Opportunity Employment Statement**

T2C-Global is an equal employment opportunity employer. All qualified applicants will receive consideration for employment without regard to race, color, religion, gender, national origin, disability status, protected veteran status or any other characteristic protected by law.
