

Senior Acquisition Analyst

Job Title: Senior Acquisition Analyst
Work Location: Navy Yard, Washington DC
Position Classification: Full Time
Security Clearance: Active SECRET clearance

Overview

Trident Technologies and Consulting - Global, LLC (d.b.a. T2C-Global) is currently seeking motivated and talented individuals who can offer the knowledge, skills, and experience to support the United States Navy in administrating the PMS 408 Naval Expeditionary Programs (EXM) Professional Support Services program.

PMS 408 requires services to support the research, development, acquisition, and support of several programs including CREW, JEOD, UWEOD, ExMed, ATA, and other future programs that are assigned to PMS 408

Responsibilities

Collect, review, and analyze information in order to make recommendations to the Government. Define the nature and extent of problems. Analyze relevant data, which may include annual revenues, employment, cost performance, schedule or expenditures. Interview managers and employees while observing their operations. Develop solutions to problems. In the course of preparing recommendations, understand the nature of the organization, the relationship it has with others in the Government, and its internal organization and culture. Prepare and solve mathematical models. Report findings and recommendations to the Government. Reports are usually submitted in writing, but oral presentations regarding findings also are common. For some projects, management analysts are retained to help implement the suggestions they have made.

Required Qualifications

- Active SECRET clearance
- Bachelor's degree from an accredited college or university
- 7 or more years of relevant experience

Desired Qualifications

- 12 or more years of qualifying experience
- Master of Science degree in a recognized engineering, scientific, mathematics, or technical discipline from an accredited college or university
- Experience managing progressively complex programs and systems of a technical nature with at least half of the years of experience in program management of government contracts involving supervision of technical, program, and administrative personnel to complete tasks relating to the acquisition and in-service support of complex systems for program areas such as Counter Radio Electronic Warfare (CREW), Joint Explosive Ordnance Disposal (JEOD), Underwater Explosive Ordnance Disposal (UWEOD), Expeditionary Medical (ExMed), and Anti-Terrorism Afloat (ATA). Candidate shall possess DoD acquisition background with respect to executing acquisition category (ACAT) II-IV levels and Abbreviated Acquisition Programs (AAPs) and have familiarity with Department of the Navy (DON) program office business practices.

Supplemental Information

Special Conditions

- If offered employment, you will be required to submit to a background investigation.
- Employees performing sensitive requirements must be able to pass a drug test as a condition of employment and submit to random drug testing throughout the contract performance period as per

Trident Technologies and
Consulting – Global, LLC

FAR 252.223-7004, Drug Free Workforce. If your position requires drug testing to successfully meet contractual obligations, this will be a condition of employment.

Equal Opportunity Employment Statement

T2C-Global is an equal employment opportunity employer. All qualified applicants will receive consideration for employment without regard to race, color, religion, gender, national origin, disability status, protected veteran status or any other characteristic protected by law.
