Job Title: MILCON Program Analyst - Professional IV (AC2)
Location: Arlington, VA
Position Classification: Full Time
Security Clearance: Active TOP SECRET / SCI Eligible

www.t2cglobal.com

Job Description:

T2C-Global is looking for a Program Analyst IV to support the Chief of Naval Operations Directorate for Information Warfare (OPNAV N2N6), in the Assured Command and Control (AC2), Command and Control (C2) Programs and Platforms Branch of the OPNAV N2N6F1 Assured Command and Control Directorate. Analyst will provide support services to assist in Navy initiatives by conducting cross-functional reviews of C2 Programs and Platforms concepts, programs, and initiatives in order to provide Senior Executive decision quality information and analytical underpinning for top-level decisions, particularly for Planning, Programming, Budgeting, and Execution (PPBE) efforts and developing future Navy warfighting capabilities and concepts.

Job Responsibilities:

- Conduct reviews, provide analysis, and support staffing of joint initiatives, associated documents to include Joint Capability Integration Development System (JCIDS) documents, having impacts on N2N6. Provide comments and recommended actions to appropriate N2N6 staff to ensure JCIDS documents meet established DOD, Joint, and Navy C4I requirements.
- Reviewing queries, responding to tasks using appropriate Navy tasker systems (ex. TV-5, DON Tracker), tracking issues and/or concerns, and preparing draft responses in the form of clear and concise briefs, point papers, emails, and memos.
- Support OPNAV N2N6's role as Resource Sponsor in all PPBE phases.
- Review, update, and staff both new and existing Navy Training Systems Plans (NTSPs), identify potential funding shortfalls, and provide funding courses of actions if applicable.
- Provide assistance to requirements officers in the review and staffing of acquisition-related documentation such as the Test and Evaluation Master Plan (TEMP), Navy Gate Review documents, and updates to acquisition and related Chairman of the Joint Chiefs of Staff Instructions and Manuals (CJCSI/CJCSM).
- Responsible for planning, organizing, executing and controlling performance of technical, business and financial services projects, ensuring that goals and objectives are accomplished within prescribed timeframe and funding parameters.
- Provides primary interface with client management personnel regarding strategic issues.
- Coordinates all parties to tasks, performs quality assurance reviews of project deliverables and activities for completeness, quality, and adherence to customer requirements.
- Delivers presentations and leads client meetings.

Education/Skills/Qualifications:

- Ten years operational experience in US Navy or USMC
- Two years' experience as a Communications Officer
- Hands on experience with C4I systems desired.

- Two years' experience with PPBE process desired.
- Prior Navy Information Warfare Officer desired.

Physical Demands

The physical demands described here are representative of those that must be met by an employee to successfully perform the essential functions of the job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

While performing the duties of this job, the employee is required to reach with hands and arms. The employee is frequently required to sit, stand and walk. The employee may be required to move ten pounds and could occasionally lift or move up to twenty-five pounds.

Disclaimer: The listed duties are not intended to serve as a comprehensive list of all duties performed by all employees in this classification, only a representative summary of primary duties and responsibilities. Incumbent(s) may not be required to perform all duties listed and may be required to perform additional position specific duties.

Special Conditions

- If offered employment, you will be required to submit to a background investigation.
- Employees performing sensitive requirements must be able to pass a drug test as a condition of employment, and submit to random drug testing throughout the contract performance period as per FAR 252.223-7004, Drug Free Workforce. If your position requires drug testing to successfully meet contractual obligations, this will be a condition of employment

Equal Opportunity Employment Statement
