

Trident Technologies and  
Consulting – Global, LLC

## **Emergency Medical Technician (EMT) Trauma Combat Casualty Care (TC3) Educator / Instructor**

**Job Title:** TC3 Educator  
**Work Location:** Eglin AFB, FL  
**Position Classification:** Full Time  
**Security Clearance:** Active SECRET clearance or Favorable National Agency Check with Inquiries (NACI)

### **Overview**

Trident Technologies and Consulting - Global, LLC (T2C-Global) is a Woman Owned Small Business (WOSB) and Certified Woman Owned Florida Business Enterprise specializing in providing innovative global defense services and solutions. T2C-Global is currently seeking motivated and talented individuals who can offer the knowledge, skills, and experience in support of our Eglin AFB, FL based customer.

### **Responsibilities**

Coordinate field trauma training in collaboration with a wide array of healthcare professionals. Facilitate the achievement of optimal outcomes in relation to training in trauma care, quality, and cost effectiveness. The required outcome result is to enable the EMT/TC3 Educator to react quickly and efficiently to real world emergency situations, when encountered with obstacles, by using the tools available in the performance measures. Assist in the development of the Benefit Cost Analysis (BCA).

### **Specific duties include:**

- Provide quality standardized instruction in accordance with the established policies, procedures, and guidelines used in the Joint Trauma System/Civilian agencies and MDGs. Teach per curriculum and demonstrate compliance of skills/instruction.
- Present all course materials in an effective fashion using didactic, hands-on and simulation training modalities.
- Provide course oversight for field, including instructional components of the standardized curriculum.
- Recognize discrepancies and develop solutions and reports them to the program coordinator.
- Provide course evaluation documentation to leadership, identify trends and opportunities for improvement.
- Advise and assist with the instruction provided by other healthcare professionals.
- Accountable for providing course assignments based on the scope of practice and skill level of assigned personnel.
- Recognize safety measures and quickly react in real world emergency and exercise situations.
- Communicate and collaborate with a diverse group of people for the purpose of informing the healthcare team of plans/actions, for teaching/education to benefit the medical readiness posture.
- Participate in continuing professional development programs as appropriate.
- Provide safe training environment – identify, track, and report all safety hazards within the field training area.
- Assist program coordinator on educational program administrative requirements, to include maintenances of program, course, student/participant records, and preparation and submission of data and reports at the end of each course.

- Fulfill simulation course and operations for manikins utilized for field instruction.
- Demonstrate hands-on skills and provide a safe environment for students.
- Demonstrate appropriate operations of all equipment and supplies to include manikins.
- Ensure infection control and safety measures are adhered to during set up and clean up.
- Adhere to the policies/standards of the Air Force medical service and the 96th medical group in meeting or exceeding established Air Force standards for access.
- Possess knowledge and experience in Patient Advocacy, Patient Privacy, and Customer Relation.

## Qualifications

Required:

- **Current DoD Active SECRET clearance or Favorable National Agency Check with Inquiries (NACI)**
- High School Diploma.
- Possess and maintain certification in the National Registry Emergency Medical Technician (NREMT) or Licensed EMT in the state of Florida.
- Must have 3 years of experience as an EMT, within the last 5 years. Or served as a combat medic in any branch of the US military for at least 2 years. \*Must provide military training records
- Possess a current certification and maintain current BLS certification, hands on approved by American Heart Association or American Red Cross.
- Must obtain and maintain the following courses within 6 months: Trauma Combat Casualty Course, Medical Provider Instructor course or instructor status in any advanced trauma field training course.
- Must be able to lift 40 lbs. and walk up to 200 yards without assistance.

## Supplemental Information

### Special Conditions

- If offered employment, you will be required to submit to a background investigation.
- Employees performing sensitive requirements must be able to pass a drug test as a condition of employment and submit to random drug testing throughout the contract performance period as per FAR 252.223-7004, Drug Free Workforce. If your position requires drug testing to successfully meet contractual obligations, this will be a condition of employment.

## Equal Opportunity Employment Statement

T2C-Global is an equal employment opportunity employer. All qualified applicants will receive consideration for employment without regard to race, color, religion, gender, national origin, disability status, protected veteran status or any other characteristic protected by law.
